# Affirmations for a Virtual Semester

## affirmations AS WE MOVE INTO DISTANCE LEARNING

The best I can do is my best.

How human of me to feel nervous about trying something new.

I will give myself the same grace I give others.

I may not be able to control this situation, but I have control over my attitude.

This is only temporary.

I can do difficult things.

I don't have to have it all figured out to move forward.

I will make mistakes, and that is okay.

# Psych Talks:

## Psychology's Troubling Past and Promising Future

Chris Aberson Ph.D.

Psychology is emerging from a crisis which has called into question many well-known research findings. This questioning has uncovered less than ideal research practices and incentive structures that have created a deeply biased literature. Widespread recognition of these problems is leading to a renaissance in the field, producing new standards and practices. This talk will highlight the historical progression from the “replication crisis” to greater enlightenment and better research.

# FOR SAMA

(SYRIA, 2019)

In this moving and heartbreakingly documentary, Waad al-Kateab documents the reality of shattered lives amidst the conflict in Syria. Starting from the early demonstrations against the Assad regime in 2012, it follows Aleppo as it falls under siege and turns into rubble. But amidst this devastation, the film also tells a story of life, love, and glimpses of hope.

# Eviction Prevention Program

There are two programs providing rent and mortgage assistance. One is through the City of Eureka, and one is through the county. If you live in the city limits, you apply to the city program. If you live outside of Eureka city limits, you use the County Program.

The contact person for the City of Eureka program is Kristen @ 707-441-4209. You don't have to provide a social security number to apply. You do have to prove a decrease in hours/pay due to COVID. You also have to show proof of employment which could be a pay stub or a letter from the employer. They have applications in Spanish. To have an appointment in Spanish you need to schedule in advance to ensure interpretation services are available. This program offers up to \$2500.

The number for the County of Humboldt Program is 1-877-410-8809. It is through social services. This program provides up to \$5000.
